Whoa! Is this keito?

I have to email this picture to my phone

Wow he was even more gorgeous back then ♡♡
さすがケイト
That there … Was when I had an apartment in Tokyo before I ended up leaving
Yazaki chan do you have other albums as well?
Well … It was more like a dorm if anything
Wait Yazaki chan had an apartment in Tokyo too?
エッ?!
Yea but he started to change when we started playing music together
Gloomy? Keito?
He was quite the gloomy kid to be honest
Well let's see . . .
Keito~ Hey how was he in high school, you know as a kid ?

What a voice he had
Who knew he had such a heavenly voice that could have attracted anyone …
I immediately thought "Wow this guy is going to be a pro-musician someday"
It was as if he finally found where he truly belonged
That's when he started to become livelier
Hmm . . .
But
However, there was one thing I always worried about…
Somewhere on saeki's body
There were always fresh wounds or bruises appearing
He was always hurt

Particularly
…
Wounds of
hesitation
Just like saya
chan's arm
…
There the
same
…
So
stop it
saya chan
Don't
think
about
dying
any-
more
…
If any-
thing,
you
should
have the
courage
to face
death

Usually ... I use a conceler
To hide it ...
I see ...
My mom abandoned us when I was a little girl ...
My father....Because of that he doesn't even want me to work
.....
That night I was so scared
I always thought about dying over and over
But I just couldn't do it
Then one day ...

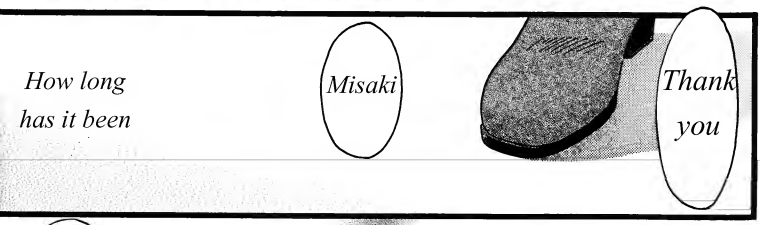
Zero sum's game "Live or die"
For this month's heavy rotation we have
. . .
チチチ...
チチ...
My soul began to tremble
It was as if electricity ran through my entire body

Keito's voice
Had completely changed my life!
That one song was able to save this girl
Saeki, you sure are amazing
No … Im sure she isn't the only one … There's Thousands…Tens of thousands of other fans
It's alright now . . .

That your songs might have saved as well

Just like saya chan
Wait … I'm coming too

Hey!
Let's go around towards the north gate!
Yuuka



How long has it been
Misaki
Thank you

Yuuka
It's as if
I was stuck in a bottomless hole
Since I had an ordinary day

Lately I heard you been stuck in your house
No matter what it is if you ever need some to talk to I'm always here to listen
You can trust me
Yuuka we're friends right!
Misaki
